WELCOME

at the family-run Hotel Waldesruh. Our hotel was built in 1996 in the mining style and is beautifully situated on a plateau at the edge of the forest. It's an ideal place for vacation and relaxation, far away from mass tourism and the hustle and bustle of the big city. Comfortably furnished rooms, named after places along the Silberstraße holiday route, await you. From many of our hotel rooms, as well as from our panoramic restaurant (also known as the winter garden), you can enjoy fantastic views of the surrounding natural landscape of the Ore Mountains. Whether for vacation, business trips, celebrations, events, or conferences – here at the Hotel Waldesruh, you'll always encounter Erzgebirge hospitality combined with professional expertise.

RESTAURANT

Our restaurant stands for typical regional cuisine, complemented by imaginative and creative variations. Depending on the season, we combine seasonal produce into delicious dishes, which are presented in constantly changing menus. The restaurant sections, Landhaus, Bergmannskaue, and Gute Stube, are rustically furnished and feature many small details typical of the region.

In the panoramic restaurant with its adjoining summer terrace, you can enjoy a unique view of the Ore Mountains.
